

Econo Cares Program

This program provides Theatre supporters an opportunity to contribute financially to this historic landmark by saving their grocery receipts.

Econo Foods will then donate to the Calumet Theatre 1% of the total purchase from each receipt received.

How it works:

Simply save your Econo Foods receipts, and the next time you come to the Theatre, just drop them off at the Box Office.

This program makes it possible for everyone, no matter what age, to feel the glow of generosity that comes from contributing to the preservation of an important icon in our community.
