

Calumet Theatre
340 Sixth Street
Calumet, MI 49913

HELP WANTED: Technical Director.

The technical director is responsible for all physical aspects of presenting a show. This involves communication with entertainers and managers to determine technical needs and taking the steps necessary to ensure that these needs are met.

The following skills are preferred:

Experience in sound, lighting, sets and staging

The ability to perform minor building maintenance

Good communication and people skills are a must

Position is 28 to 40 hours per week dependant on show season.

Compensation is commensurate with experience.

Please send resumé with letter of interest to the Executive Director at laura@calumettheatre.com. No phone calls, please.
